Children's Hospital and Regional Medical Center and the City of Seattle have established an Advisory Committee composed of representatives of Children's Hospital and Regional Medical Center (CHRMC), and surrounding communities who will advise the City and CHRMC during development of a new CHRMC Major Institution Master Plan. That Master Plan will lay out the type and location of new physical development at CHRMC and establish guidelines for the design of development on campus, and the management of traffic to reduce the possible negative impacts of proposed development on the surrounding neighborhood.

The Committee will hold its first formal meeting:

**Time:** 6:00 – 8:30 PM  
**Place:** Children's Hospital and Regional Medical Center
